### **Brief about your Business/Products:** (In 200 words)

Indian Oil Corporation Limited (IndianOil) is a diversified, integrated energy major with a presence in almost all the streams of oil, gas, petrochemicals, alternative energy sources, EV charging and battery swapping solutions. IndianOil leverages high-calibre people and state-of-the-art technologies to tap all forms of energy responsibly and deliver them to the consumers most affordably. India's highest rank Energy PSU on the Fortune-500 list (Rank 142), IndianOil, recorded Revenue from Operations of ₹7,28,460 crores and a net profit of ₹24,184 crores for the financial year 2021-22.

As a Brand with one of the largest customer interfaces in India, IndianOil supplies precious petroleum fuels to every nook and corner of the country through its network of over 56,000 plus customer touch-points, surmounting the challenges of tough terrain, climate and accessibility. The marketing network is bolstered by 80.55 MMTPA of Group Refining Capacity and more than 15,000 KM of cross-country pipelines.

IndianOil is in the process of rolling out 10000 EV charging stations across India along with Battery Swapping Stations in select cities to facilitate an uninterrupted driving experience for EV users and boost the country's EV ecosystem.
