Brief about your Business/Products: Fasteners, Machine Components and C-parts

LPS Bossard Pvt Ltd is an Indo-Swiss JV, LPS Bossard offers the highest quality in fastening technology serving OEM's. We provide proven expertise in many markets including Automotive, Rail, EV, Medical, Industrial Automation and Robotics. Whether your fastening challenges are in Electrical or Mechanical Engineering, Bossard has a solution for your application.

"Together, we bring Proven Productivity and sustainability to every assembly operation in the world!" For many years, we have dedicated our efforts towards a sustainable strategy in order to deliver value to our customers and make the world around us a bit better with every interaction we have.

The Bossard Group is a leading global provider of product solutions and services in industrial fastening and assembly technology. More than 1 million items as well as proven expertise in technical consulting and inventory management distinguishes the Bossard Group.

Bossard was founded in Zug in 1831. Today local and multinational companies count on Bossard's expertise to increase their productivity – with success. Bossard calls this concept, which is also a promise to its customers, "Proven Productivity." This includes, among other things, optimizing processes and reducing inventories to increase the efficiency and productivity sustainably. In addition, Bossard is considered a pioneer in developing intelligent production facilities in line with Industry 4.0.

With 2,700 employees at 84 locations in 32 countries throughout the world, the Bossard Group generated CHF 995.1 million in sales in the financial year 2021. Bossard has its headquarters in Switzerland and is listed on the SIX Swiss Exchange.
