About SMEV

SOCIETY OF MANUFACTURERS OF ELECTRIC VEHICLES is the registered Industry association representing Indian manufacturers of electric vehicles (EV), batteries, charging stations and electric vehicle components.

SMEV was set up in 2009 and today represents interest of around 100 manufacturers from across the country. SMEV works closely with the Central and State Governments to assist the formulation of policies and processes supporting the EV ecosystem.

SMEV has contributed significantly to the cause of promotion of EVs in the country through the NEMMP-2020, FAME policy, the rationalization of import duties, reduction of local taxes and levies.
