two wheelers, primarily across Bengaluru, Mumbai, and Delhi, since initiating our operations in 2017. We are
planning to introduce 20,000 new vehicles across Bengaluru, Delhi, and Mumbai by February 2023. Our plan
is to increase our fleet size from the current 10 K to 1 Lakh by end-2023.
.....

We are also India's largest Battery-as-a-Service (BaaS) operator and have successfully executed over 3
million charged battery swaps, ensuring the safety and comfort of our users.
