Brief about your Business/Products:

Started in 2015 with a dream to bring green mobility to masses in India, Kinetic Green is the latest venture from Kinetic & Firodia Group. The company offers a wide range of battery-operated vehicles such as cargo, passenger vehicles, E-scooters, E-cycles, Buggies, E-Carts and multi utility vehicles.

Ms. Sulajja Firodia Motwani is the Founder & CEO of Kinetic Green Energy and Power Solutions Limited.

The company has its manufacturing facility at Ahmednagar in Maharashtra. The company also has a robust in-house **DSIR Recognized R&D centre** and focuses on design and development of durable yet affordable range of electric vehicles with a vision to bring this technology and its benefits within the reach of common man.

The company has signed a joint venture agreement with the prestigious Tonino Lamborghini SpA in Italy to design a range of golf carts that will be made in India and marketed globally. With this JV Kinetic Green is keenly looking to tap the global market with high-end golf carts and off-road electric vehicles.
