#### **Brief about your Business/Products:**

**Numeros Motors is established with a vision of creating a positive impact not just for the environment and the fight against climate change but also for our end users, who will use our products as tools to grow their micro-businesses and lead a better life.**

**Mr. Shreyas Shibulal – Founder & CEO, started Numeros Motors in 2019 with a focus to accelerate the adoption of Clean Mobility Technologies. Postgraduate in Embedded Systems, from the University of Pennsylvania, and his fascination for automotive and a family legacy of doing goods have inspired him to create Numeros Motors.**

**The company is on a mission to put 250,000 vehicles on the road by Dec'2025, by introducing multiple products, and variants and expanding the distribution network to 250+ cities.**
